

## Notice of Privacy Practices

---

The following is a description of certain rules that apply to the Plan Sponsor regarding uses and disclosures of your health information.

### Disclosure of Summary Health Information to the Plan Sponsor

---

In accordance with HIPAA's standards for privacy of individually identifiable health information (the "privacy standards"), the Plan may disclose summary health information to the Plan Sponsor, if the Plan Sponsor requests the summary health information for the purpose of:

- (1) Obtaining premium bids from health plans for providing health insurance coverage under this Plan; or
- (2) Modifying, amending or terminating the Plan.

"Summary health information" is information, which may include individually identifiable health information, that summarizes the claims history, claims expenses or the type of claims experienced by individuals in the Plan, but that excludes all identifiers that must be removed for the information to be de-identified, except that it may contain geographic information to the extent that it is aggregated by 5-digit zip code.

#### **Disclosure of Protected Health Information ("PHI") to the Plan Sponsor for Plan Administration Purposes**

Except as described under "Disclosure of Summary Health Information to the Plan Sponsor" above or under "Disclosure of Certain Enrollment Information to the Plan Sponsor" below or under the terms of an applicable individual authorization, the Plan may disclose PHI to the Plan Sponsor and may permit the disclosure of PHI by a health insurance issuer or HMO with respect to the Plan to the Plan Sponsor only if the Plan Sponsor requires the PHI to administer the Plan. The Plan Sponsor by formally adopting this Plan document certifies that it agrees to:

- (1) Not use or further disclose PHI other than as permitted or required by the Plan or as required by law;
- (2) Ensure that any agents, to whom the Plan Sponsor provides PHI received from the Plan agree to the same restrictions and conditions that apply to the Plan Sponsor with respect to such PHI;
- (3) Not use or disclose PHI for employment-related actions and decisions or in connection with any other benefit or employee benefit plan of the Plan Sponsor;
- (4) Report to the Plan any PHI use or disclosure that is inconsistent with the uses or disclosures provided for of which the Plan Sponsor becomes aware;
- (5) Make available PHI in accordance with section 164.524 of the privacy standards;
- (6) Make available PHI for amendment and incorporate any amendments to PHI in accordance with section 164.526 of the privacy standards;
- (7) Make available the information required to provide an accounting of disclosures in accordance with section 164.528 of the privacy standards;
- (8) Make its internal practices, books and records relating to the use and disclosure of PHI received from the Plan available to the U.S. Department of Health and Human Services ("HHS"), for purposes of determining compliance by the Plan with part 164, subpart E, of the privacy standards;
- (9) If feasible, return or destroy all PHI received from the Plan that the Plan Sponsor still maintains in any form and retain no copies of such PHI when no longer needed for the purpose for which disclosure was made, except that, if such return or

destruction is not feasible; limit further uses and disclosures to those purposes that make the return or destruction of the PHI infeasible; and

(10) Ensure that adequate separation between the Plan and the Plan Sponsor, as required in section 164.504(f)(2)(iii) of the privacy standards, is established as follows:

- (a) The Plan Sponsor shall only allow certain named employees or classes of employees or other persons under control of the Plan Sponsor who have been designated to carry out plan administration functions, access to PHI. The Plan Sponsor will maintain a list of those persons and that list is incorporated into this document by this reference. The access to and use of PHI by any such individuals shall be restricted to plan administration functions that the Plan Sponsor performs for the Plan.
- (b) In the event any of the individuals described in (a) above do not comply with the provisions of the Plan documents relating to use and disclosure of PHI, the Plan Administrator shall impose reasonable sanctions as necessary, in its discretion. Such sanctions shall be imposed progressively (for example, an oral warning, a written warning, time off without pay and termination), if appropriate and shall be imposed so that they are commensurate with the severity of the violation.

"Plan administration" activities are limited to activities that would meet the definition of payment or health care operations, but do not include functions to modify, amend or terminate the Plan or solicit bids from prospective issuers. "Plan administration" functions include quality assurance, claims processing, auditing, monitoring and management of carve-out plans, such as vision and dental. It does not include any employment-related functions or functions in connection with any other benefit or benefit plans.

The Plan shall disclose PHI to the Plan Sponsor only upon receipt of a certification by the Plan Sponsor that:

- (1) The Plan documents have been amended to incorporate the above provisions; and
- (2) The Plan Sponsor agrees to comply with such provisions.

## Disclosure of Enrollment Information to the Plan Sponsor

---

Pursuant to section 164.504(f)(1)(iii) of the privacy standards, the Plan may disclose to the Plan Sponsor information on whether an individual is participating in the Plan or is enrolled in or has disenrolled from a health insurance issuer or health maintenance organization offered under the Plan.

## Disclosure of PHI to Obtain Stop-loss or Excess Loss Coverage; Disclosures of Genetic Information

---

Except as otherwise provided below, the Plan Sponsor hereby authorizes and directs the Plan, through the Plan Administrator or the Third-Party Administrator, to disclose PHI to stop-loss carriers, excess loss carriers or managing general underwriters ("MGUs") for underwriting and other purposes in order to obtain and maintain stop-loss or excess loss coverage related to benefit claims under the Plan. Such disclosures shall be made in accordance with the privacy standards.

The Plan will not use or disclose genetic information, including information about genetic testing and family medical history, for underwriting purposes. The Plan may use or disclose PHI for underwriting purposes, assuming the use or disclosure is otherwise permitted under the privacy standards and other applicable law, but any PHI that is used or disclosed for underwriting purposes will not include genetic information.

"Underwriting purposes" is defined for this purpose under federal law and generally includes any Plan rules relating to (1) eligibility for benefits under the Plan (including changes in deductibles or other cost-sharing requirements in return for activities such as completing a health risk assessment or participating in a wellness program); (2) the computation of premium or contribution amounts under the Plan (including discounts or payments or differences in premiums based on activities such as completing a health risk assessment or participating in a wellness program); and (3) other activities related to the creation, renewal, or replacement of a contract for health insurance or health benefits. However, "underwriting purposes" does not include rules relating to the determination of whether a particular expense or claim is medically appropriate.
